

# FORWARD LIFT

**Engineered to perform...  
Built to last!**

## **NEW** **CR14** **GENERAL SERVICE RUNWAY LIFT** 14,000 lbs. Capacity

**DESIGNED TO MEET THE SERVICE NEEDS  
OF TODAY'S CARS, VANS AND TRUCKS!**

**Heavy duty capacity to handle vehicles  
with wheelbases up to 206.5"**

**NEW** taller column design adds a 78-3/4" rise height providing techs better vehicle service access

Self-chocking 41" approach ramps engage when lift is raised - protective strips on ramps prevent floor gouging

**NEW** improved heavy duty high-performance cable and sheaves system

Durable powder coat finish

Easy to use single point lift operation with clear access to one button air operated lock release

### **CR14 Lifts Feature**

an improved, advanced hydraulic and mechanical lifting system which is concealed and protected under the runway. This high performance design generates greater durability and a more efficient and dependable lift operation. The CR14 runway lift features an industry-leading rise height of 78-3/4" allowing better technician access for under vehicle service.

### **High Performance Forward Lifts**

are rigorously cycle tested at rated load giving you a proven, quality tested lift you can depend on for years of quality service. Forward engineers' gold certified designs meet the highest industry standards for safety and performance. Secure your investment and your bottom line with these versatile and reliable vehicle service lifts.

Forward 14,000 lbs. capacity drive-on lifts meet the ANSI/ALI ALCTV 2011 standard, including the required third-party validation. Your assurance of certification is the gold ALI/ETL certified label - the highest industry safety and performance standard.

# NEW CR014

## GENERAL SERVICE RUNWAY LIFT 14,000 lbs. Capacity Open Front Design

### CR14 / CR014 Optional Accessories:

- RRJ70G / 7,000 lbs. capacity rolling bridge jacks
- Drive-through ramps
- Internal airline kit
- Bolt-on, full runway alignment kit
- Turning radius gauges
- Power unit cover

Forward Lift, a leading manufacturer of automotive lifting equipment, provides reliable lift systems for independent repair shops, car dealerships, body shops, national accounts, home enthusiasts, hobbyists, and heavy-duty truck facilities. Using 21st century design tools allows us to create, control and validate our designs to ensure maximum performance.

Forward lifts are rigorously cycle tested to exceed durability standards. All Forward products are proof load tested to 1½ times rated capacity! The combination of high quality products and service provides you with the very best value - while not compromising safety, functionality or durability.
